The screenshot displays the Spafinder website interface. At the top, there are navigation links for 'About Us', 'My Account', 'Business Partners', and 'Help'. Below this is a search bar with 'I want: e.g. massage, yoga class' and 'Near: miami'. A 'Find' button is visible. The page is divided into sections for filtering results, including 'Filter By' with 'GENERAL FEATURES' and 'CATEGORIES', and 'SORT BY' options like 'Distance', 'Rating', and 'Relevance'. A prominent green banner ad is highlighted with a red box and an arrow, reading 'Get a \$40 Bonus eGift Card on orders of \$200 or more!'. Below the banner, a map shows the search area in Miami, and a list of properties is displayed, including 'Mandarin Oriental, Miami', 'Carillon, Miami Beach', and 'AVEDA SPA AT THE PALMS HOTEL & SPA'. Each property listing includes a featured image, name, address, and a brief description.
